

DECONTAMINATION UNIT - CERPE

3 LINES FOR VALID VICTIMS

OPERATING TEMPERATURE :
0°C TO +49°C

COMMERCIAL DESCRIPTION

The UTILIS decontamination CERPE is 20-feet ISO maritime container with high mechanical resistance for terrestrial and maritime transport thanks to its 8 ISO corners.

The decontamination system is composed of the CERPE itself as well as two TM36 tents. The installation allows you to have 3 valid victims lines or 1 valid victim line and 1 disabled victim line.
